What you will receive

Non-marketing texts from Northwoods Desk about calls handled for your business: call summaries, caller callback details, service requests and urgency, missed-call notices, and account-related service updates.

Frequency and charges. Message frequency varies with call volume and account activity, typically one alert per call handled. Message and data rates may apply.

Your choice. SMS consent is optional and is not a condition of purchasing or continuing the answering service. Signing the general contract alone does not enroll you in SMS alerts.

Stop or get help. Reply STOP to unsubscribe or HELP for assistance. For support, contact northwoodscalldesk@gmail.com or (920) 806-8267. Carriers are not liable for delayed or undelivered messages.

☐ **Yes, I agree** to receive the SMS messages described above from Northwoods Desk at the mobile number I provided. I have reviewed the SMS terms and privacy policy linked below.
